The Spirit Dwells Within Us All

1. The Spirit dwells within us all, inspiring justice-love;
2. Our world is crying in distress; so many suffer wrong;
3. We now rise up for equity, for race and gender rights;
4. The Spirit still inspires our dreams of justice-love and peace;

She sends Her liberating call on wings of Heav'ly Dove,
we now lament, repent, confess complacency too long,
we work to set all people free from all oppressive plights.
Her glorious vision brightly beams, our power to release.
