Spirit of God, Spark of Creation

Spirit of God, spark of creation,
glowing in all, burning and bright,
fire on the mountain and flame on the altar,
pillar ablaze to illumine the night,
Light of the Presence divine:

Deeply within, seemingly silent,
working unseen, Life-Giving Source,
particles vibrating, pulsing, expanding,
spreading the universe, powerful force,
active in all and alive:

Whispering voice, inner discernment
for every choice, thoughtful and clear,
channel of Wisdom, conveyor of feeling,
from the beginning the Word that we hear,
inwardly speaking to all:

Always beside, constant companion,
going before, guarding behind,
ever-surrounding, supporting, inspiring,
urging us forward to seek and to find,
Comforting Friend at our side:

Breath on the wind, swift and refreshing,
stirring within daughter and son,
filling the young and the old with new visions,
dreams of a world where all people are one,
human division to mend:
