Here All Belong

1. Truth be told, we’re not alone; we have built ourselves a home;
built it large, and built it free—love was our goal.
This, a home for anyone, creed or custom, barring none.

2. Truth be told, we cannot be whole without diversity.
Many different voices raised create the song.
Whether brown or black or white, all together, we are light;
Aged wisdom, questing youth, all connected, seeking truth,

3. Truth be told, when gathered here, we can all our sorrows bear,
held in hearts made strong by love; we shall not fail.
This, a place where love can grow—here all belong.
